+ Voda Health Vitamin B + Antioxidant shots

All the same injections you know and love!

PLUS Dr. Rohde will place Ear Seeds in addition to your shot to help calm the mind and restore a healing balance to the body!

+ IV Nutrient Pushes

CALM - Magnesium + Vitamin B6 are a power couple when it comes to PMS relief, muscle tension and headaches, mental relaxation, and bone health.

IMMUNE - Vitamin C + Zinc are your super protectors against the common cold! Also essential for collagen production to support skin, hair, nails, and joints.

GLOW - High Dose Glutathione is a master antioxidant mega boost that helps your skin shine and your liver a detox superstar! Vital in the prevention of diseases associated with aging.

+ Specialty Testing

Food Sensitivities

Discover the foods your body mounts an unhealthy immune response to.

Get a detailed, personalized action plan on restoring gut health and healing digestive issues, headaches, and other illnesses based on your results.

Inflammation/Metabolic Health

Blood sugar issues and inflammation are at the root of all disease; they must be addressed before true healing and real disease prevention can occur.

Get a detailed, personalized action plan on how to decrease inflammation and restore blood sugar balance.

Vitamin D

Low Vitamin D levels is a BIG problem for Washingtonians. Acting as a hormone messenger in the body, Vitamin D is essential for a healthy mood, robust immune system, and strong bones.

+ Prolon Fasting Mimicking Program

5-day program for longevity and disease prevention! Get all the benefits of fasting while still eating food. Research backed and proven for weight loss, inflammation, blood sugar, and cholesterol. Stimulates your body's own healing ability!

Take your weekend brunch to a whole new level!
